by the Municipal Council Sites were not however allotted to the depositers though more than two years have elapsed after the deposit money was made Some of the depositers submitted a petition to Government complaining that sites have not been given to them, though they have deposited the value of the sites long back The "Tainadu" also in its issue dated the 1st April 1942, has published letters from some correspondents about the delay in the allotment of sites to the depositors.

37) A report was called for from the Municipal Commissioner, Bangalore city, on the petitions received from the depositors and also on the article in the "Tainadu" dated 1st April 1942 The Municipal Commissioner in his letter dated 20th April 1942 has stated that sites have since been allotted to the depositors at a rate of Rs 1-10-0 per sq yard as against the rate of Rs 1-8-0 per sq yard originally fixed and that the possession thereof would be given to them after the balance of the site value is paid by the persons concerned The Municipal Commissioner's letter and the sketch are for perusal

38) As complained of in the "Tainadu", there has been some delay in allotting the sites, which could have been avoided if the Municipal Council had taken speedy action, specially as the money had been deposited by 271 persons

Another allegation was also made in the paper to the effect that 1500 cartloads of earth were removed from the said sites It is stated by the Municipal Commissioner in his letter dated 4th May 1942 that the Superintendent of Police, Bangalore city, has been addressed to book the offenders and that the Municipal Staff ~~Magistrate~~ is also keeping watch This action seems to have been taken only after the complaint was made in the "Tainadu". It is implied that the earth was removed(actually) It is not known why action was not taken by the Municipal Council to find out the culprits and to book them early and why the municipal officials of the Division were not vigilant in the matter. This points to a certain amount of slackness in the supervision of the work of subordinates in the Mlty.

Most Respected Sir,

We, the following, humbly request you to kindly permit us to approach you with the following

About one year and seven months ago, we paid a sum of Rs 187-8-0 each towards the Value of a site promissed to each of us by the Bangalore City Muncipality, by the side of the Swimming pond at Malleswaram and we regret to state that the sites have not been yet allotted to us, in spite of the fact that the allotment of the sites was intended to help the poor as we are simply paying interest for the amount and denied the prospect of putting up buildings

In this connection, we have approached the Muncipal commissioner and the President once and again but very much regret to bring to your Honour's notice, that no suitable action has yet been taken in the matter and we are denied with even a formal reply in the matter Such inordinate delays causing inconvenience to the poor at the hands of the Premier Muncipality, are we humbly submitt, have to be avoided

While requesting you, Sir, to kindly interfere in the Matter to allot to us immediately the sites, we humbly pray to be pardoned for the troubles

We remain, Sir, Ever grateful,
